givejedahand #CAMH is #MentalIllbess is #Narcissistic #Hack Society #Psychiatrist David Goldbloom and #CAMH CEO and #IABC #Dentsubos #TalkingDoll Catherine Zahn the #DarbyandJoan of #Toronto #mental health - maybe the #RonaldandNancy #Reagan of #CAMHFoundation - not the #sidandnancy! O, no! PS #HowcanIhelp is the title of Goldbloom's "dayinthelife" book about his wonderful self, how whenever one of his #patients #suicides (not a rare occurrence - perhaps understandabky?) he just has to put his head down and #haveagoodcry. #Thathelps?! #Notrecommended! #Madpride! #scamaitch
